

TROVE

Trove is the **new** combined catalogues of Australian Libraries produced by the National Library of Australia.

Simply enter your search query – Title; e.g. **Progress in obstetrics and gynaecology in Australia** or by Author e.g., **Forster, Frank**

The screenshot shows the Trove website interface. At the top, there is a search bar with the query "progress in obstetrics and gyn" and a search button. Below the search bar, there are several tabs for different types of content: "All", "Books, journals, magazines, articles...", "Pictures and photos", "Australian newspapers (1803 - 1954)", "Diaries, letters, archives", "Maps", "Music, sound and video", "Archived websites (1996 - now)", and "About people and organisations". The "VIC" tab is highlighted in the "Available from" section.

The main content area displays the search results for "Progress in obstetrics and gynaecology in Australia / [by] Frank M. C. Forster". It includes a "No Tags for this work" section, a "Contributors" section, and a "Versions / Editions" table. The table lists the following edition:

Title, Author, Edition	Date	Language	Format	Locations
Progress in obstetrics and gynaecology in Australia / [by] Frank M. C. Forster. Sydney : John Sands, 99 pages	1957	English	Book: Illustrated	18

Below the table, there are buttons for "Check copyright status" and "Cite this".

When the entry is displayed, click on the **VIC Location** tab

Our holdings will appear as: [The Royal Australian and New Zealand College of Obstetricians and Gynaecologists. Frank Forster Library.](#)
