

**The Royal Australian and New Zealand College of  
Obstetricians and Gynaecologists**

**SIX-MONTHLY ASSESSMENT OF A RESEARCH REPORT**

To be completed by the principal Training Supervisor named in the application for prospective approval of Research Training

**Name of Trainee:** \_\_\_\_\_ **Hospital:** \_\_\_\_\_

**Year Level:** \_\_\_\_\_ **NZ/State:** \_\_\_\_\_

**Name of Training Supervisor:** \_\_\_\_\_

**Title of Research Project:** \_\_\_\_\_

**ROLE OF THE TRAINEE**

	Yes	No
Has the trainee adequately outlined their role/involvement in the research project over the past six months?	<input type="checkbox"/>	<input type="checkbox"/>
Has the role/involvement of the trainee changed from the original proposal?	<input type="checkbox"/>	<input type="checkbox"/>
If Yes, how has the role changed and is this new role suitable to be considered for FRANZCOG training	<input type="checkbox"/>	<input type="checkbox"/>

**AIMS**

	Yes	No
Has the trainee made satisfactory progress in this area during the past six months?	<input type="checkbox"/>	<input type="checkbox"/>
If No, please comment:		

**LITERATURE REVIEW**

	Yes	No
Does the research report provide an updated bibliography and literature review?	<input type="checkbox"/>	<input type="checkbox"/>
If No, please comment:		

**METHODS**

	Yes	No
Has the trainee provided adequate information on the progress of:		
Data collection	<input type="checkbox"/>	<input type="checkbox"/>
Data analysis	<input type="checkbox"/>	<input type="checkbox"/>
If No, please comment:		

**RESULTS**

	Yes	No	N/A
Has the trainee been able to clearly describe any results established in the past six months?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
If No, please comment:			

## CONCLUSIONS

Has the trainee been able to clearly outline any conclusions established in the past six months?

Yes    No    N/A

      

If No, please comment:

## PRESENTATION OF THIS RESEARCH REPORT

Layout easy to follow and well presented

Yes    No

  

Adequate length

  

Adequate citation of references

  

If No, please comment:

## RESEARCH CONTENT

Has the research training as proposed been followed in this six months?

Yes    No

  

Has the trainee shown clear progress and learning in research techniques?

  

## OVERALL OPINION OF THE REPORT

I recommend that this period of training is recorded as:

**SATISFACTORY**

**UNSATISFACTORY**
